VOYA TAXI

Terms and Conditions — Version 1.0

Status: Draft for review
Effective date: To be confirmed

1. About Voya Taxi

Voya Taxi provides an online platform for requesting and managing taxi bookings.

Voya Taxi acts as a booking intermediary connecting customers with independent taxi operators and chauffeurs. Unless expressly stated otherwise, the taxi operator accepting the booking is responsible for performing the journey.

2. Booking and confirmation

Customers must provide accurate information when booking, including pickup and destination addresses, travel date and time, passenger count, luggage and any special assistance requirements.

Submitting a booking request does not guarantee that a chauffeur is available. Voya Taxi will communicate the booking status and chauffeur assignment through its booking system.

Customers can check their booking status using their Booking ID and registered email address.

3. Journey prices and payment

The estimated or confirmed journey price is displayed during the booking process.

Prices may depend on distance, travel requirements, vehicle type and applicable taxes.

Any additional charges or changes to the agreed price must be communicated to the customer before they are accepted, where required.

Payment methods and payment arrangements will be communicated as part of the booking process.

4. Chauffeur and vehicle assignment

Voya Taxi works with taxi operators and chauffeurs responsible for providing suitable vehicles and complying with applicable transport requirements.

A chauffeur may be assigned or reassigned when operationally necessary.

Voya Taxi will endeavour to provide timely and accurate assignment information.

5. Customer responsibilities

Customers are responsible for providing correct contact and journey information.

Passengers must be ready at the agreed pickup location and time, follow reasonable safety instructions and treat chauffeurs and vehicles respectfully.

Special requirements, including wheelchair accessibility, child seats, pets or additional luggage, must be declared during booking.

6. Booking cancellation

Cancellation by the customer

Customers can cancel their booking through the Voya Taxi booking status page, provided that more than 24 hours remain before the scheduled pickup time.

Customers must enter their Booking ID and the email address associated with the booking.

Providing a cancellation reason is optional.

Once cancelled, the booking cannot be reactivated. A new booking must be made if transportation is still required.

Cancellation by Voya Taxi or the taxi operator

A booking may be cancelled when the journey cannot reasonably be provided, including circumstances involving chauffeur availability, safety or operational requirements.

The customer will be informed of the cancellation and the reason where appropriate.

Any applicable refunds or cancellation charges are subject to the payment and cancellation arrangements communicated to the customer and mandatory consumer law.

7. Delays and unforeseen circumstances

Traffic conditions, weather, road closures, accidents and other circumstances may affect pickup or arrival times.

Voya Taxi and the taxi operator will make reasonable efforts to communicate significant changes.

Nothing in these conditions excludes legal rights or liability that cannot lawfully be excluded.

8. Complaints and customer support

Customers may contact Voya Taxi about booking-related questions or complaints.

Complaints about the actual transport service may also be submitted directly to the taxi operator responsible for the journey.

Contact details and applicable complaints procedures will be provided through the website or relevant booking information.

9. Personal information

Voya Taxi processes customer and booking information to arrange and manage journeys, communicate booking updates and support its services.

Further information about personal data processing will be provided in the Voya Taxi Privacy Policy.

10. Applicable law

These Terms and Conditions are governed by Dutch law, subject to any mandatory consumer protection rules that apply.

Customers retain all rights that cannot legally be excluded or restricted.

11. Changes to these terms

Voya Taxi may update these Terms and Conditions.

Each version will have its own version number and effective date.

The version accepted when a booking is made will apply to that booking, unless otherwise agreed or required by law.
